TOP INSURERS ACROSS STATES

Sources: FLSO, SLACAL, ELANY · Texas excluded — SLTX publishes no insurer data

Each state reports on its own calendar — Florida: YTD 2026 · California: Jan 2026 – Aug 2026 · New York: YTD through June 2026. Combined premium is indicative, not an exact same-period total. Catch-all buckets like "All Other" are excluded. Insurers are matched by simplified company name; where different state-level names were merged, they're listed under the insurer so mismatches are easy to spot.
